BLACK is the new chrome

Those who keep up with the latest trends know that black is without doubt an integral part of the contemporary bathroom design. Although it may appear a bit dark at first glance, when combined and placed properly, unusual, luxurious and very elegant results can be achieved.

Black brings a special charm into the bathroom, which creates the right atmosphere for a perfect relax. At the same time, it is an excellent unifying element, for example, black accessories create depth and sophisticated complexity in the interior.

It is a color that never gets old, it has style and creates perfect contrasts. It is therefore not surprising that its popularity exceeds the hitherto widely used chrome.

The darkest of all colors looks great in any type of space, it only depends on the extent to which it is used.

That is why we have created this catalog for a better overview of the attractive black products in our offer and to find the best inspiration for your bathroom.

ČERNÁ je nový chrom

Kdo chce držet krok s aktuálními trendy, ví, že černá barva do současné moderní koupelny rozhodně patří. Ačkoliv se na první pohled může tvářit poněkud temně, když se správně zkombinuje a umístí, lze s ní dosáhnout nevšedních, luxusních a velmi elegantních výsledků.

Černá vnáší do koupelny zvláštní dramatické kouzlo, které dotváří perfektní atmosféru pro relaxaci. Zároveň je to i výborný jednotící prvek, například černé doplňky dodají interiéru pocit hloubky a celý prostor opticky propojí. Je to barva, která nikdy nevyjde z módy, má styl a tvoří dokonalé kontrasty. Nelze se tak divit, že její popularita již převyšuje i dosud tolik využívaný chrom.

Nejtemnější ze všech barev vypadá skvěle v jakémkoliv prostoru, záleží pouze na vhodné míře, ve které je využita. I proto jsme pro vás vytvořili tento katalog, který vám má pomoci lépe se zorientovat v nabídce produktů v atraktivních černých odstínech a najít tak to nejlepší řešení pro vaši koupelnu.

CZARNY zastępuje chrom

Nastąpiło przełamanie stereotypów o tym, że wszystko w łazience powinno być błyszczące i śnieżnobiałe. Czarne elementy znajdują już zastosowanie nie tylko w loftowych wnętrzach, ale są również dopełnieniem klasycznych projektów. Nic dziwnego, że swoją popularnością coraz częściej wypierają z naszych łazienek chrom.

Najciemniejszy ze wszystkich kolorów doskonale się prezentuje w jakimkolwiek pomieszczeniu. Przy właściwym połączeniu i umieszczeniu możemy uzyskać luksusowy, elegancki efekt. Czarny jest kolorem, który nigdy nie wyjdzie z mody, ma styl i tworzy doskonale kontrasty.

Zapraszamy do zapoznania się z ofertą katalogu Sapho Black – mamy nadzieję że dzięki niemu poszerzycie horyzonty i wyobrażenia na temat wyposażenia wnętrz.

SCHWARZ ist das neue Chrom

Wer mit aktuellen Trends mithalten möchte, der weiß: Das Schwarz gehört auf jeden Fall in das heutige moderne Badezimmer. Obwohl es auf den ersten Blick etwas dunkel wirken kann, mit der richtigen Kombination und Platzierung können Sie ungewöhnliche, luxuriöse und sehr elegante Ergebnisse erzeugen.

Das Schwarz bringt einen besonderen Zauber in das Badezimmer und erschafft somit die perfekte Atmosphäre für das Wohlfühlen und Entspannung. Die schwarze Farbe dient darüber hinaus als hervorragendes Verbindungselement.

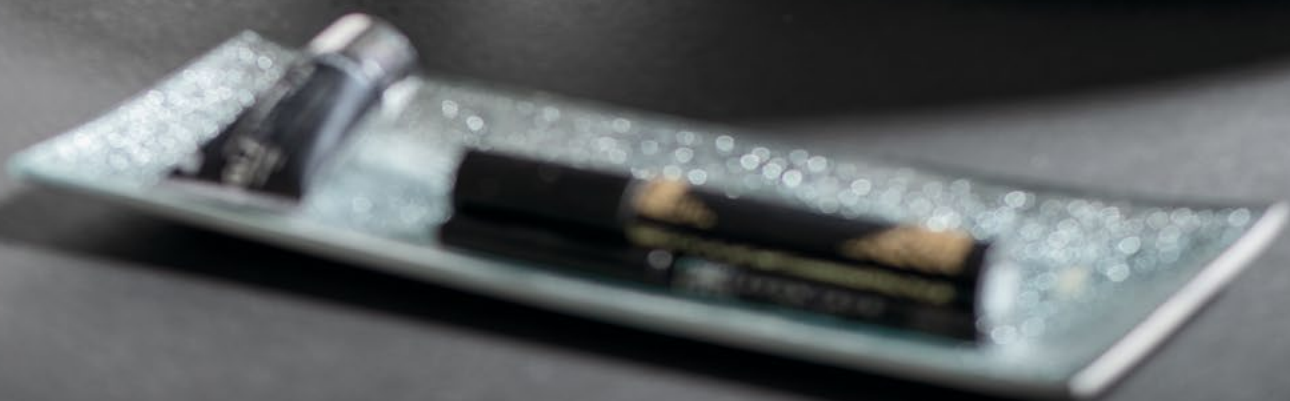

Schwarze Badaccessoires ergänzen das Gefühl von Tiefe im Innenraum und verbinden optisch den gesamten Raum. Das Schwarz ist eine Farbe, die nie altmodisch wird. Es hat Stil und schafft perfekte Kontraste.

Kein Wunder also, dass dessen Popularität das so oft verwendete Chrom übersteigt.

Die dunkelste aller Farben sieht in jedem Raum hervorragend aus, es kommt nur auf den richtigen Umfang der Nutzung an.

Für eine bessere Orientierung in unserem Angebot an Produkte in attraktiven Schwarztönen haben wir diesen Katalog erstellt. Mit seiner Hilfe finden Sie bestimmt die beste Inspiration für Ihr Badezimmer.
